

Prosecuting the Drugged Driver

September 8-10, 2008

Sheraton Clayton Plaza; St. Louis

The Missouri Office of Prosecution Services is pleased to announce that it will be presenting:

Prosecuting the Drugged Driver

for Missouri prosecutors and assistants. The course will be held from September 8-10, 2008, in St. Louis. This course provides in-depth information about the Drug Evaluation and Classification Program (commonly referred to as the Drug Recognition Expert or DRE program).

Topics to be covered will include the history, development and validation of the Drug Recognition Expert program, the seven drug categories used by Drug Recognition Experts, the Twelve-Step DRE Evaluation, the role of toxicology in a drugged driving case, and the evaluation, preparation and prosecution of a DWI-Drugs case.

There is no registration fee for this course. Lodging will be provided at the Sheraton Clayton Plaza for the nights of September 7-9, and breakfast and lunch will be served each day. Participating jurisdictions will need to cover the costs of transportation to and from St. Louis and the cost of the evening meals.

Space in this course is limited. To register, please complete the attached registration form. Contact Susan Glass at 573-751-1629 or at Susan.Glass@ago.mo.gov with questions.

This course will qualify for 18 hours of CLE credit.

Funding for this course is provided by the
Missouri Division of Highway Safety and the
National Association of Prosecutor Coordinators
